LDFARC MEETING SEPTEMBER 2022

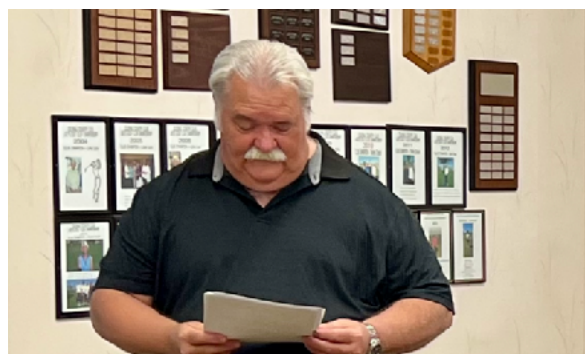

## LDARC OFFICERS

President: Steven Wolfe AI6ZW

Vice President: Rick Gardner KN6RBP

Secretary: Larry Watson KN6PUR

Treasurer: Karen Stewart KN6MJS

**Larry Watson KN6PUR** reads the changes to the LDFARC Constitution

Our new [LDARC](#) Board meeting time and place starts this month.

New time: **5PM** at the Colonial Country Club & preceding the [Club Meeting](#) at the **same location**. Members may come early and sit in on the board meeting.

Then at **6:30PM** the regular club meeting will begin.

“The awaited Nominations Meeting is drawing near! We will be accepting your nominations for all LDARC positions during the next Monthly [LDARC](#) meeting this Wednesday evening at 6:30.

We will finally be voting on changes to our constitution regarding clarification of some wording regarding duties of the Board. The Board will be going through the approval process on our involvement with the Hemet Christmas Parade Booth during its meeting just prior to the club meeting and we will discuss the event at the club meeting.

Start thinking about Winter Field Day! It’s coming up in January and as Cook for Field Day I would like to know what you would like for me to prepare? Have Blackstone Grill Will Travel! Grilled Cheeseburgers would probably be the easiest?

Don’t forget to bring cash for [Christmas Dinner](#). Tickets \$25 each. If you haven’t gotten yours yet and 50/50 raffle tickets \$1 each or 6 tickets for \$5. Ask our Treasurer Karen, KN6MJS about hats and shirts if you’re interested.

Remember, the meeting is held in the library just to the right of the [Colonial Country Club](#) lobby entrance! [601 N Kirby St.](#)”

**BOARD MEETING : STARTS AT 5PM - 6:30PM**  
**CLUB MEETING STARTS AT 6:30 TO 8PM**  
**ZOOM MEETING LINK [HERE](#)**

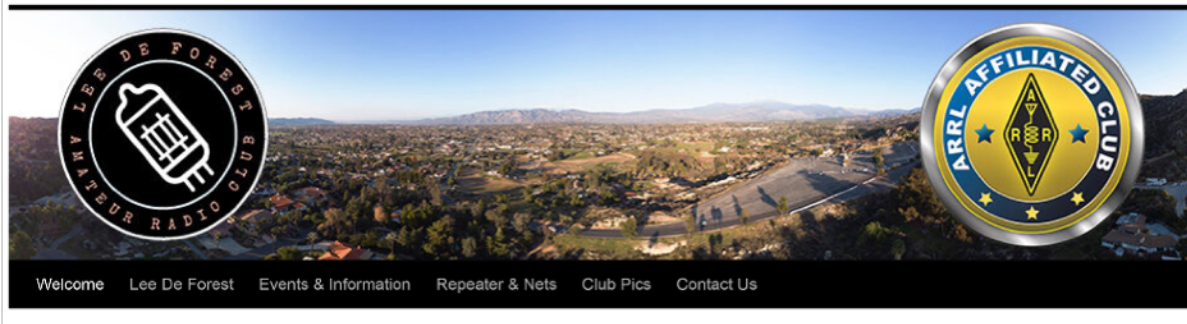

**President: Steve Wolfe AI6ZW**

Steve AI6ZW Club President

## The New **LDARC** Website now online!

### Lee DeForest Amateur Radio Club K6LDF

While there is much more in store for our new web presence, the new site is now viewable at our original domain, [ldradioclub.com](http://ldradioclub.com) as well as [ldarc.org](http://ldarc.org) & [k6ldf.com](http://k6ldf.com). All 3 work and point to the new site.

All [newsletters](#), [announcements](#) info on our [events](#), [meetings](#), [nets](#) and much more is online and easy to find. We hope this site becomes a helpful resource and a frequently visited destination. Let us know what you think, and be sure to let us know how we can make it better.

### City of Hemet Annual Christmas Parade

Pending board approval, We will have a table at the [Hemet Christmas parade December 3 this time at 5 PM](#). I have always loved our little parade. We're thrilled that [LDARC](#) will be part of it. If you would like to be at our table, or be part of the organizing committee, please reach out to Rick, KN6RBP.

#### There will be testing

at Hyatt's house Saturday, November 19th 2022. Details on our site [Here](#)

Please take a look at our [Bands & Modes Survey](#). We are learning about usability, and viability of some, "[Bands and Modes](#)" for two way voice communication.

You are all invited to join me at [Hemet's own YSF node](#), accessible by any personal [hotspot](#), like [pi-star](#) at 59073 that's 59 zero and 73. Come by anytime, stay as long as you like. It's the [US-Hemet-Hangout](#). Managed by me [KN6RBP](#) and Furball KN6RBP-ND.
