WORDS FROM OUR PRESIDENT RICK, KN6RBP

This Wednesday is the deadline to order **and pay for** the Dr. Fong special one time antenna pricing. Please see this announcement post on our website for pricing. There are no operators standing by. But Karen would love to take your orders.

I'm ordering the tri-band and the roll-up. These antennas have BNC leads. Dr. Fong sell's 6' extension cables made from the same spec coax that is used in the antenna itself.

Additionally we will have our auction for the volunteers who have helped us collect, itemize, value and bring these items up for consideration. We are hoping to make the balance of the items available to the membership. Details will follow the first auction.
