## Meeting Agenda

We will be discussing Winter Field Day.

Marcos our VP and Club Historian will talk about collecting our club's history.

Rick, KN6RBP will give the highlights of our Club Website (Orientation, Future, Q&A) Many of you have requested a demonstration.

Q&A with club membership.

## Winter Field Day

**Where: The Hemet McSweeny Park**

**When: Saturday January 28th @ 11:00 AM**

Similar to the [ARRL's](#) Field Day, we'll be using non-commercial power sources and operating from a remote location, while making satellite, HF & Digital contacts. We won't be contesting but we will use frequencies on all bands and **any** mode to transmit and log the contact successfully. Contact totals will be posted here after the event.

Charlie KN6SOG is donating fresh tortillas and Carne Asada and AI6ZW is doing the cooking. KE6CED is bringing his 150' end fed antenna and poles. KN6SOJ will be there with his Hustler antenna. WA6SPY will be doing satellite communications and Rick KN6RBP be running FT8 on HF and [System Fusion](#) via [pi-star](#).

## Membership Dues & Application

Membership is due January of each year. If you haven't paid your dues now is the time. If you would like to become a member you can download the application on our website. A link will be provided in this weeks roster announcement online. Membership must be mailed in or handed to our treasurer. Annual Individual Dues: \$25; Family (2 or more living in the same residence): \$35.

## FCC Testing

There will be testing Saturday January 21st at Hyatt's house (41352 Merriwood Dr, Hemet). Testing will also be administered at our Winter Field day

## LDARC WEBSITE

Be sure to check out our newly redesigned Website: <https://www.k6ldf.com/> **ALL** club current events/announcements (with Photos!) are there to keep everyone informed. So make this site a frequently visited one.
