SUMMER FIELD DAY EVENTS

We'll have 3 HF stations in operation and a GOTA station. We will operate Phone and FT8 on all eligible bands. Logs will be submitted to [ARRL](#) by KE6JGM.

Join us in the morning on Saturday for breakfast. We'll have pancakes, bacon, sausage, scrambled eggs and more! All prepared fresh on-site. Tickets are \$10 per person. Kids are \$5.

We are there setting up at 7am. See how antenna systems are set up and lend a hand. The more the merrier.

There will also be demonstrations throughout the day, like HT antenna testing, Antenna Tuning with Nano VNA, FT8 operations, How to build, customize & calibrate a Pi-Star, and of course, Phone contacting and logging.

Then, we'll enjoy Taco's later that day. That meal is no charge thanks to generous donations by members.
